## Audio Bandwidth Extension

### Application of Psychoacoustics, Signal Processing and Loudspeaker Design

Bandwidth extension (BWE) refers to various methods that increase either the perceived or real frequency spectrum (bandwidth) of audio signals. Such frequency extension is desirable if at some point the frequency content of the audio signal has been reduced, as can happen for example during recording, transmission or reproduction.

This volume, significant in dealing exclusively with BWE, discusses applications to music and speech and places particular emphasis on signal processing techniques.

- Presents an all-encompassing approach to BWE by covering theory, applications and algorithms
- Reviews important concepts in psychoacoustics, signal processing and loudspeaker theory
- Develops the theory and implementation of BWE applied to low-frequency sound reproduction, perceptually coded audio, speech and noise abatement
- Includes a BWE patent overview

*Audio Bandwidth Extension* pulls together recent developments in to a single volume and presents a coherent framework. Such an approach will have instant appeal to engineers, specialists, researchers and postgraduate students in the fields of audio, signal processing and speech.

Please visit the book's homepage <http://www.dse.nl/~rmaarts/>

#### Contents

- Introduction.
- 1 From Physics to Psychophysics.
- 2 Psychoacoustic Bandwidth Extension for Low Frequencies.
- 3 Low-frequency Physical Bandwidth Extension.
- 4 Special Loudspeaker Drivers for Low-frequency Bandwidth Extension.
- 5 High-frequency Bandwidth Extension for Audio.
- 6 Bandwidth Extension for Speech.
- 7 Noise Abatement.
- 8 Bandwidth Extension Patent Overview.

### DELIVERY

Please add the following to your order to cover delivery of your books\*  
UK customers add £3.70 (£3.15 + VAT)

European customers (both EU and non-EU destinations except the U.K.): Via surface add £5.35 /  
€8.00 (Incl VAT), Via air add £12.75 / €19.00 (Incl VAT).

Non-European export destinations (eg Middle East, Far East etc.): Via surface add £7.75 / \$13.95  
Via air £14.95 / \$26.95.

\* Delivery will be arranged by John Wiley & Sons Ltd on your behalf via Wiley Distribution Services  
Ltd. Alternatively you may collect your order by prior arrangement. We can also quote for delivery by  
courier

(Please email cs-books@wiley.co.uk for details).

## Stay informed by Post or E-mail

Check out our new alerting service at:

ALTERNATIVELY PLEASE INDICATE YOUR AREAS OF INTEREST:

### Your Personal Data

We, John Wiley & Sons Ltd, will use the information you have provided to fulfil your request. In addition, we would like to:

1. Use your information to keep you informed by post, e-mail or telephone of titles and offers of interest to you and available from us or other Wiley Group companies worldwide, and may supply your details to members of the Wiley Group for this purpose.

Please tick the box if you do not wish to receive this information

2. Share your information with other carefully selected companies so that they may contact you by post, fax or e-mail with details of titles and offers that may be of interest to you.

Please tick the box if you do not wish to receive this information.

If, at any time, you wish to stop receiving information, please contact the Database Marketing Department (databasegroup@wiley.co.uk) at John Wiley & Sons Ltd, The Atrium, Southern Gate, Chichester, PO19 8SQ, UK.
